## After Sun Cream Gel

Lab-00183.11

### THE IDEAL PRODUCT AFTER SUN EXPOSURE

---

Skin relief, well-being and healthier appearance already after one application.

---

#### BENEFITS

- Calms down irritated skin and promotes skin relief
- Promotes skin hydration and smoothness

#### FORMULA

- Enriched with refreshing and cooling agents (menthol derivative, Aloe Vera) offering a sensation of well-being and prickly pear extract, by high content in minerals, vitamins and fibers, able to inhibit the release of stress factors and rapidly reduce skin redness
- Containing tamarind seed extract and a fraction of branched galactomannan by film-forming properties that create an invisible film on the skin surface to limit TEWL, maintain skin moisture and enhance skin suppleness and elasticity

#### OTHER FEATURES

- Not-greasy cooling texture by soft after feel
- Free from parabens, allergens, microplastics, silicones

#### APPLICATION TIPS

Apply after sun exposure to the entire body using light, circular massaging motions.
